PUBLIC NOTICE

CAUTION AGAINST FRAUDULENT JOB OFFERS

It has come to the notice of the Ministry of Electronics and Information Technology (MeitY) that some agencies/organizations/unscrupulous elements are issuing forged and fabricated appointment letters in the name of Digital India for various posts. We have also received a number of complaints about such incidences of these unscrupulous elements against the promise of providing jobs and thereby duping the general public.

Public in general is therefore cautioned/warned not to fall in the trap of such dubious agencies/organizations/unscrupulous elements that offer fake appointments in the name of Digital India as this Ministry follows a laid down procedure for recruitment of candidates.
